

June 2016: Vol 4 No 10

Have a good summer

First of all, I would like to say thank you to all the students for a great year! Also a special thank you to all the parents who supported thier child's learning in many ways, such as starting the day with a healthy breakfast, getting them to school on time or supporting them with their homework. Without your cooperation Skt Josef's wouldn't be the success that it is.

Secondly, thank you to the dedicated teachers who work so hard to ensure the best learning environment for your sons and daughters.

This is the last newsletter for the school year. This edition is mainly images from around the school. It has been a very busy and active few weeks. There are photos from the DISN athletics event, Year 11 graduation and this weeks focus week.

Looking ahead, Skt Josef's International continues to grow, therefore below are the new class grouping for 2016-2017. During the summer holiday you will receive a welcome letter from your class teacher along with other valuable information.

Sadly, we will say good bye to some students who are moving on to new school around the world. We wish them all the best.

Finally, from all of us at Skt Josef's International wish the students and their families a safe and happy summer holiday. We look forward to seeing you again in August.

Mr Hughes taking on Lukas and Max (yr 7)
